### RESPONSE TO OFFICE ACTION, ELECTING A SPECIES

Commissioner for Patents  
Post Office Box 1450  
Alexandria, VA 22313-1450

Sir:

This responds to the Office Action mailed December 1, 2006, on the above-captioned application.

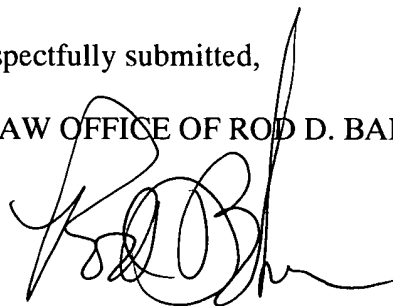

The Examiner imposed a requirement of election of species. The Office Action asserts the existence of three patentably distinct species: (1) Figs. 1-2; (2) Figs. 3-4; and (3) Fig. 5.

In response to the requirement, Applicant elects the invention of Species (1), illustrated in drawing Figs. 3-4. This election is made *without* traverse.

Currently, claims 1-18 read on the elected species of Figs. 3-4. The Examiner has correctly acknowledged that claim 1, as presented, is generic.

Respectfully submitted,

LAW OFFICE OF ROD D. BAKER
